

Smarter Monitoring, Cleaner Waters

Stakeholder Workshop

The Urban Innovation Centre, Future Cities Catapult, One Sekforde Street, London, EC1R 0BE

Monday 12th February, 10:00 – 13:30

Purpose

A world of information is at our fingertips, but do we know enough for the sustainable management of our waters? This workshop will explore the future commercial needs and opportunities for water quality monitoring of rivers, lakes and reservoirs in the UK and beyond.
